Outerlimits Wins Two World Championship Titles

Key West, Florida – November 23, 2002 – Outerlimits continues its hold on the World Champion titles winning both the Outlaw Performance V class and the Outlaw Performance 2 class at this year’s APBA American Power Boat Association Key West World Championship Races.

In the Outlaw Performance V class, Outerlimits 42’ GTX driven by Bob Russell of Seattle Washington and throttled by Mike Fiore, president of Outerlimits, won the World Championship title.

The 37 Outerlimits ‘*Obsession*’, driven by Harry Turner and throttled by Daniel Dropski, won the World Championship in the Outlaw Performance 2 class. This championship comes in addition to the National Championship won earlier this year in their class.

Outerlimits president, Mike Fiore, was quoted as saying, “Having Outerlimits win the World Championship plus the National Championship is a real high point for all of us. It’s been a great week, great event, and a great year for the Outerlimits group.”

Outerlimits Offshore Powerboats is located in Bristol, Rhode Island. For additional information on their offshore powerboats, call (401) 253-7300.
