Outerlimits Offshore Powerboats Announces DVD Production

Sarasota FL - October 25-26 2002 - From the company that is constantly breaking new grounds, Outerlimits brings another first to the table. Outerlimits will be producing a DVD of Outerlimits powerboats during the Sarasota Poker Run weekend (October 25th and 26th). As an owner of an Outerlimits, we want to invite you to become a part of the production of this very special event.

Outerlimits will have a full production staff, along with helicopter photographers to capture this spectacular happening. The DVD, which will feature Outerlimits boats exclusively, will capture the boats in motion as they slice through the waves of the Gulf waters. Interviews with owners and fun at the docks will also be filmed.

Sarasota offers a superb boating environment on the Intracoastal Waterway and is only minutes away from the beautiful waters of the Gulf of Mexico. The poker run will be fun, but the DVD production will be a unique Outerlimits event.

Take advantage of this exclusive opportunity to have your boat included in a DVD that will be viewed worldwide. Come meet with other Outerlimits owners as the party begins and the film rolls.

If you wish to participate and be a part of the Outerlimits DVD, please contact Tara Giles at Outerlimits Offshore Powerboats (401) 253-7300.
